

## ☀️ Kindness Committee News ☀️

### Kindness Captains Leading the Way!

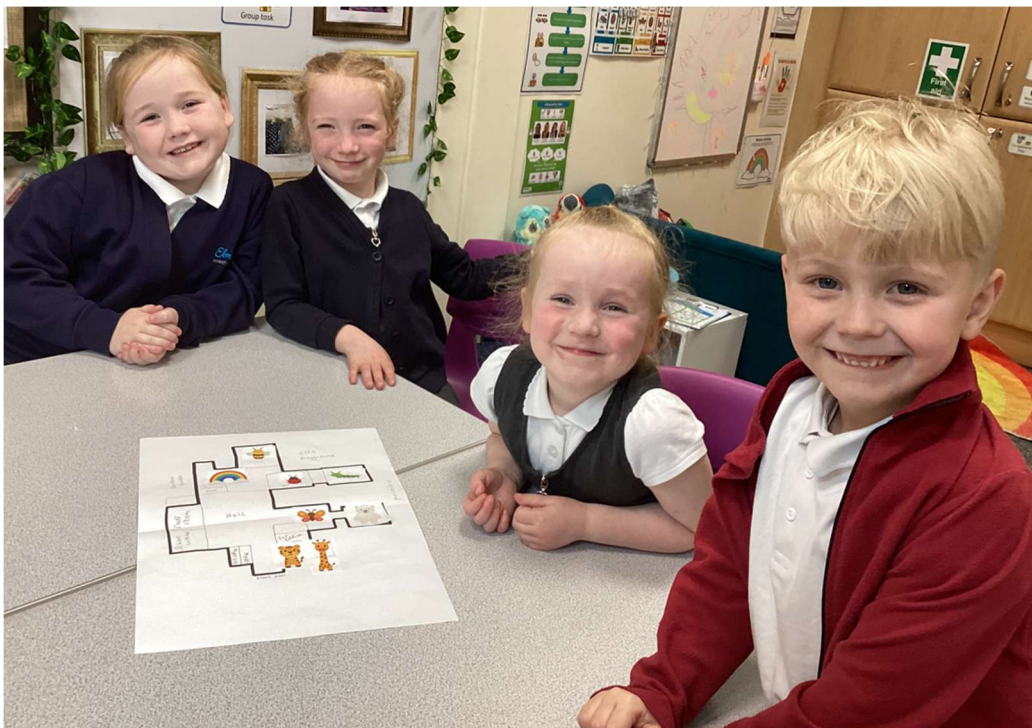

On **Friday 27th March 2026**, our wonderful **Kindness Captains** met with **Miss Smith** to share ideas and plan how they can continue spreading kindness across our school.

#### 😊 What Did We Talk About?

The Kindness Captains discussed how they can **introduce themselves** and help make everyone feel welcome by:

- Saying **hello, hi, or good morning/afternoon**
- Giving a **friendly smile** to visitors
- Always showing **respect** to everyone in our school community

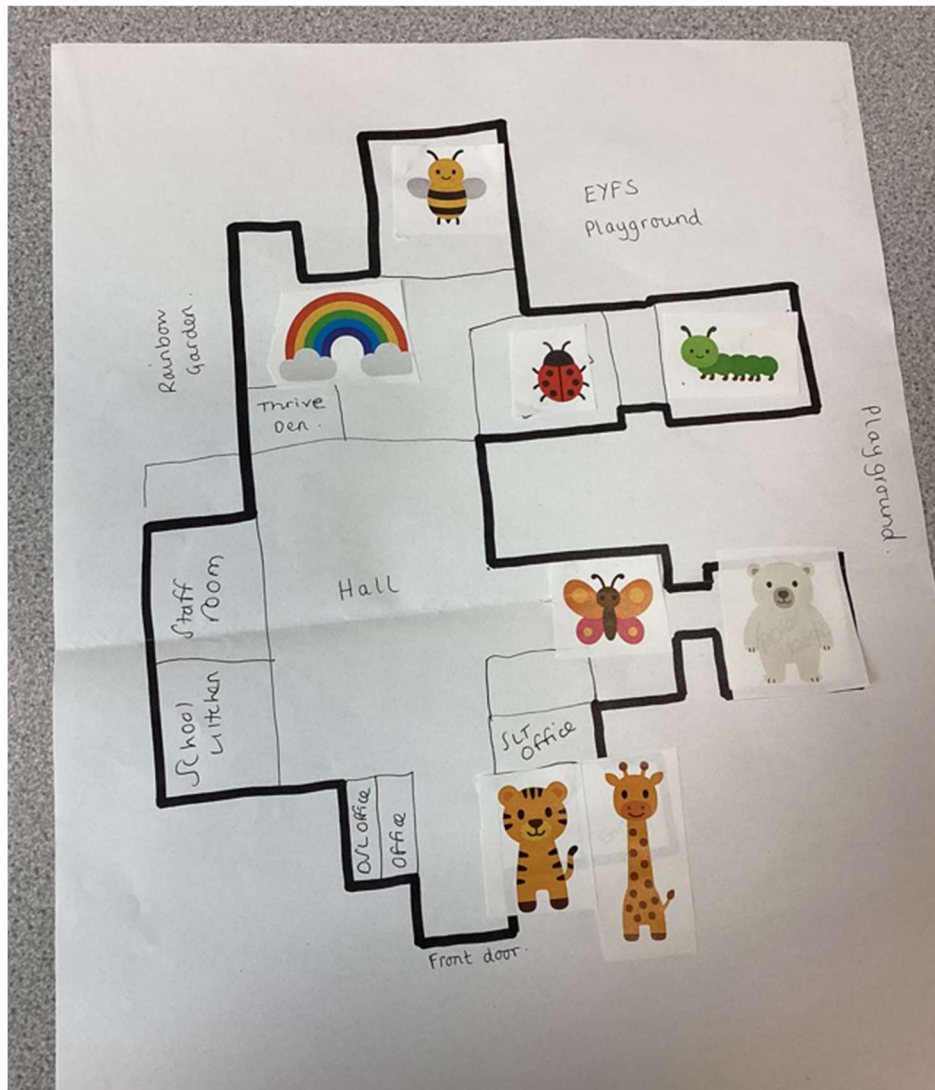

These small actions can make a **big difference** and help our school feel warm, welcoming, and safe.

## 📖 What's Next?

The Kindness Captains are working on an exciting project!

- They will help **create a school map** to support visitors and new children
- The map will help everyone find their way around the school easily
- It will be shared **digitally** so it's easy to access

## 💬 A Big Thank You

Miss Smith thanked the Kindness Captains for their **thoughtful ideas** and praised the **positive impact** they have across the school. Their leadership is helping to make our school a kinder place every day!

💛 Well done, Kindness Captains — we're so proud of you! 💛
