

## Kindness Captains Leading the Way!

### Kindness Committee Minutes

**Date:** Friday 1st May

**Present:** Kindness Captains and Miss Smith      **Location:** School Nature Area

### What We Did

On Friday 1st May, our wonderful Kindness Captains met with Miss Smith and enjoyed spending time outdoors caring for our school nature area.

The children planted newly delivered **wildflower seed balls**, taking advantage of the warmer, sunnier weather. They carefully placed the seed balls into the soil, giving the plants the best possible start as they begin to grow.

The Kindness Captains also helped to **clear weeds, sticks and debris**, making the area safe, tidy and ready for new life. Earlier, during the Easter break, the garden maintenance team used their digger to prepare a sunny space for a **wildflower meadow**, which will help attract bees and other pollinators. The children showed great care and respect for the environment while working together.

### **How This Helps Our School and Wellbeing**

By caring for the nature area, the Kindness Captains are helping to:

- Create a calm, welcoming space where everyone can enjoy being outdoors
- Support wildlife such as bees and butterflies
- Improve wellbeing by encouraging teamwork, responsibility and time in nature
- Make our school grounds brighter, healthier and more enjoyable for all

## What's Next?

Looking ahead, the Kindness Captains will:

- Work alongside the **Eco Committee and the rest of the school** to keep the area neat and looked after
- Use water from our **new water-saving devices** to water the plants responsibly
- Check regularly on the plants to make sure they have what they need to grow and thrive
- Help remind others to treat the nature area with kindness and care

## A Big Thank You

Miss Smith thanked the Kindness Captains for their enthusiasm, teamwork and thoughtful ideas. She praised the positive difference they are making to the school environment. Their kind actions are helping to support nature, improve wellbeing and make our school an even kinder place every day!
